SUPPLIES OR SERVICES AND PRICES

I. INTRODUCTION

- A. The Defense Supply Center Philadelphia (DSCP) intends to support the needs of its customers by entering into one (1) or more Indefinite Quantity Contracts (IQC's) to supply Bread and Bakery products to customers stated below.
 - B. This solicitation contains the estimated Bread and Bakery requirements for the following customer:
 - FORT CAMPBELL, KY
- C. The customers at Fort Campbell, KY comprise **Group 1** for Bread and Bakery Items and **Group 2** for Bakery Items such as Doughnuts and Pastry.
- D. The resulting contract(s) will be Indefinite Quantity Contracts (IQC's) that provide for an indefinite quantity, within stated limits, of specific supplies or services to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.504(a)). These contracts will be for a one (1) year term.
- E. The estimated dollar value for **Group 1** \$107,269.24 and for **Group 2** is \$31,051.42. Total estimated dollar value for all groups is \$138,320.66.
- F. This acquisition for Bread and Bakery products is solicited on an <u>"All or None"</u> basis per group. Each group will be evaluated separately. The award will be made based on the lowest evaluated price of proposals meeting or exceeding the technically acceptable standards:
 - 1. The ability to provide the product in accordance with the item description.
 - 2. The ability to deliver product in accordance with delivery schedule

II. GUARANTEED MINIMUM/MAXIMUM

- A. The guaranteed minimum for all Groups is 25% of the estimated dollar value.
- B. The maximum ceiling on the resultant contract(s) is 125% of the estimated dollar value per year. In the event of emergencies and/or mobilization, the Government reserves the right to unilaterally execute a higher alternate ceiling. This higher alternate ceiling is 150% of the estimated dollar value per year. As illustrated above, these percentages are calculated on a "per contract" basis.

III. PRICING

- A. Prices shall be FOB Destination only.
- B. Offerors are required to submit a copy of their current Wholesale Price List, Catalog Price Schedule or other documents containing commercial pricing information.
- C. Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation. There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.
- D. In order to accommodate the Government's ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point. Reference Clause 52.214-9P06 "Rounding Off of Offer and Award Prices". In addition, the system requires that prices be fixed for a certain period of time. Prices for the resultant contract(s) will be frozen for the base term of the contract.
- E. If offering on more than one (1) group, unit prices for the same item must be identical in all groups. For example, if bagels, plain is priced at \$1.00 in Group 1, it must be priced at \$1.00 in all groups.

IV. NEW ITEMS

- A. If a customer desires to order an item that is not listed on the resultant contract(s), a written request to the DSCP Market Ready Contract Specialist, Margaret R. Conforto, shall be submitted to have the item added. The Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog.
- B. Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the Contracting Officer must determine that the price for the respective item is fair and reasonable.
 - C. A written modification will not be issued when an item is added to the catalog.
 - D. Additional items may not increase the original dollar value of the contract by more than 25%.
- E. IMPORTANT NOTE: Items not included in the STORES catalog <u>cannot</u> be ordered from the contractor.

V. ADDITIONAL CUSTOMERS

- A. Additional DoD and non-DoD customers located in the same distribution area as the successful contractor may be added to the contract based on a mutually agreed upon implementation plan.
- B. The potential customers cannot increase the amount of the contract by more than 25% in total. It should be noted that the 25% new business will also be allowable at the maximum ceiling and the alternate higher ceiling.
- C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the Contracting Officer reserves the right to add more than 25% of additional business. The additional business shall be equivalent to the percentage of unused business. For example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.
 - D. Additional customers are limited to those that receive federal funding.

VI. CUSTOMER SERVICE POLICY

The contractor(s) shall treat each of the customers covered under the contract(s) as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under this contract.

III. INFORMATION ON THE WEB INVOICING SYSTEM (WINS).

The Web Invoicing System (WINS) is an alternative to both the traditional paper invoice submitted to DFAS Columbus and an Electronic Data Interchange (EDI) 810 Transaction Set . Once a vendor has registered to submit invoices through WINS, all information pertaining to the invoice is sent via the Internet to DFAS for payment with little or no cost to the vendor. Vendors can enter invoices into templates on a DFAS owned web server that processes and routes the invoices to the appropriate payment system.

To register for WINS, go to the web site https://ecweb.dfas.mil and click on "New Account". Include vendor account information and in approximately 1 -2 days after registration, a user ID and password will be provided. After receipt of the user ID and password, please ensure you conduct testing on the system to ensure accuracy of the data submitted and systems' compatibility. If any problems are experienced in reaching this site, please call 1-800-756-4571 for assistance.

Instructions for accessing and using WINS, WINS User Guide specifically for Subsistence can be downloaded from www.dfas.mil Click on Electronic Commerce and scroll to "WINS Users Manual Volume 9, DISMS User Manual".

- (2) The offeror shall provide its DUNS or, if applicable, its DUNS+4 number with its offer, which will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.

However, registration of an applicant submitting an application through a method other than the Internet may take up to 30 days. 52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (JUL 2003)

(a) North American Industry Classification System (NAICS) Code and Small Business Size Standard.

The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). (b) Submission of Offers.

Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
 - (5) Terms of any express warranty;
 - (6) Price and any discount terms;

- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for Acceptance of Offers.

The offeror agrees to hold the prices in its offer firm for <u>30 calendar days</u> from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product Samples.

52.212-1 (continued)

to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple Offers.

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) *Late Submissions, Modifications, Revisions, and Withdrawals of Offers.*

- (1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.
- (2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—
- (A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or
- (B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or
 - (C) If this solicitation is a request for proposals, it was the only proposal received.
- (ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.
- (3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.
- (4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.
- (5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

52.212-1 (continued)

(g) <u>Contract Award</u> (not applicable to Invitation for Bids).

Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple Awards.

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. 52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD

Companies protesting this procurement may file a protest 1) with the contracting officer, 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD

- (a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.
- (b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.
- (c) If you wish to opt out of this clause, check here []. Alternate wording may be negotiated with the contracting officer.
